

**Green:** Happy with topics and I believe falls within Health & Safety education.

**Purple:** The subject of the topic is vague and can fall into both acceptable and unacceptable topics. It may also be politicised and institutionalised.

**Grey:** Could be useful but may have a negative impact on the child causing distress, depression or even provide ideas for evil.

**Red:** I feel are negative, questionable and controversial and not suitable for under-aged children.

Year 7	Year 8	Year 9
